

Help Us Welcome New Families!

When new families feel welcome in our school, they are more likely to keep their children here for the duration of their education. As Board Members, we can play a critical role in positively impacting a new parent's comfort level. A simple phone call is all that's needed to help that family begin feeling at home in our program.

To help you in this important task, we're providing this form as a guide for your phone conversation. Please make notes in the spaces available, paying particular attention to any questions or concerns you can't answer, then return this form to the office ASAP.

Please make a welcoming phone call to the following family: _____

Their children are:

Child _____ Grade _____ Teacher _____
